information

partments in the complex "Dolphin" with an excellent location in Saint Vlas, located in Saint Vlas, with a top location in the most luxurious part of the resort just meters from the beach.

The complex is gated, very well situated, quiet, peaceful, well maintained, without construction defects and problems, includes 40 apartments on four floors, richly landscaped garden and seasonal pool.

The apartments are two, three and four rooms with an area of 55 to 128m2, from 1st to 4th floor, south facing sea view. Fully furnished and air conditioned, they have a fully equipped kitchen, LED TV, refrigerator and other appliances. They are offered fully furnished and with everything necessary for living, ready for living or for rent and business. Suitable for year-round living!

All apartments have beautiful spacious terraces overlooking the pool and garden.

There is a seasonal outdoor pool with a safe area for children, a well-kept green area and a car park.

In the immediate vicinity are restaurants, piano bar, nightclubs, supermarkets, hairdresser and beauty salon, fitness center, children's center and animation, amphitheater with special events and the beach with a pleasant area of Marina Dinevi and the beautiful promenade.

-annual maintenance fee 500 euros.
